FOOSBALL TABLE

BONZINE

B90 Home Model

Table Specifications
 Superior Quality
 Metal Figurines. Very strong and durable play figures unlike most of the industry which uses plastic.
 Telescoping Rods. Ground steel with chrome plating.
 Goals. Polished Aluminum.
 Cabinet. Solid Beech wood and Beech plywood 22mm thick.
 Table Dimensions
 60"L x 42"W x 37"H
 Table Weight
 176 lbs.

**BONZINI
 U.S.A.**

Table Features
 Telescoping Safe Rods

Safer for children. Rods do not protrude through the other side of the table which can often result in injuries to children standing on the other side.
 More space efficient.
 Low Inertia. The lighter weight of the rods allows for easier handling and play
 Hand Painted Figurines
 Beautiful Artistic Players. Individually hand painted and can be custom painted upon request.
 Elegant and Elite. This table stands in a class of its own. Its design is so stunning that it resembles a piece of art.

Changeable Handles
 Variety Handle Selection. Bonzini tables are designed such that the handles are interchangeable with a variety of handle designs.
 Enhanced Play
 Extreme Ball Control. This is one of Bonzini's defining qualities. The incredible ball control offered by Bonzini allows for a more imaginative game by allowing for a greater variety of play styles.
 Bonzini Plays Like No Other Table

Bonzini Player Figurines

Unsurpassed Realism

Foosball Players that look and play like the real thing!

Solid Construction

Durable figures of aluminum and silicone which are far more resistant to breakage than those of typical table designs

Hand Painted

Bonzini is more than just a foosball table it is also a piece of art

Bonzini Ball Control

Enhanced Play

Superior Ball Control allows players to hold, pass and shuffle the ball under their feet adding new dimensions to the game of foosball!

Total Immersion

Bonzini offers the player freedom of imagination. Bonzini's ball control allows individuals to develop the game to their personality and explore a shooting style which has no limits!
