## BabyFoot BONZINI

For over 50 years now, table football has been one of the most widely-played and popular pastimes.

It's also a sport, and one that is played on every continent. Official bodies such as the FFFT and the ITSF are helping to bring the sport of table football to an ever-expanding audience by organising national and international competitions.

### Stadium Free Play

Dimensions : 1,50 m x 1,00 m x 0,95 m 60Kg

Lightweight version of the B90 (20 kg lighter). Metal corners on the mat to raise the corners. Rubber shock absorbers instead of steel springs.

### Bonzini B90-ITSF de competition

Mandatory features of the B90-ITSF (official tournament table):

- The two leg crosspieces are in steel, not wood, making the table 23kg heavier
- The 22 feet of the aluminium players are left untreated and unpainted, and the two lateral sides are milled to allow lateral ball control
- All four legs of the football table are equipped with jacks so that the table can be levelled and also so that it can be raised for tall players, providing both players agree.
